Give STL Day is this Thursday! Make a plan to support ACSTL on May 5th. Your involvement is critical to our work of drastically improving the lives and areas around us. Thank you for your consideration.

What is Give STL Day?

Give STL Day brings the region together as one community, raising money and awareness for local nonprofits in 13 St. Louis metropolitan and surrounding areas, including some Illinois counties. In addition to being a resource for donors across the St. Louis region, the initiative amplifies donations during the 24-hour online giving on May 5th. [Learn more here!](#)

April Events Recap

AmeriCorps St. Louis was well represented at this year's Gateway Outdoor Expo held at the America's Center in Downtown St. Louis April 1-2. We visited with vendors and attendees and spread awareness of what we do and accomplish in the area.

Pictured are a few of our Members that stopped by our booth. Organizers estimated over 8,000 visitors attended the expo. The ACSTL booth was busy all weekend long!

We also had a booth at the 2022 Earth Day Festival in Forest Park, April 23-24. Saturday was a full day of visitors and attendees of all ages. Pictured left are current Members playing a bags game in the sun. Right, Kenan Ender shows a possible future Member the size of the STIHL "Swamp Monster" Chainsaw. Thanks to those that came out and said hi to us! Glad to be back in person at events.

Applications now open for next year!

Ready for a change? Join AmeriCorps St. Louis as a full-time National Service Volunteer for a unique and life-changing experience. As part of our 42-Member Emergency Response Team (ERT), you'll serve for 11 months alongside other passionate, hard-working people committed to making a real difference by preserving and restoring our environment as well as responding to natural disasters. Great Story, by Emily Ray

"The thing I love most about AmeriCorps St. Louis is the people. I love learning and chainsawing and lighting things on fire and handling responsibility too, but I truly love the people. I feel like I've connected with so many people in AmeriCorps. The feeling I get after a week where I got to bond and become better friends with everyone (or even just some) of my team members is really special. Maybe it's someone that I didn't think that I had that much in common with, but we can still laugh about so much together. I plan on staying friends with some ERT members for much longer than this year."
